To apply for a fellowship, you will need to fill out the form below and to submit the following along with the form:

1. An audiological assessment of the status of your hearing. The battery of hearing tests, performed by a clinically certified audiologist (American Speech and Hearing Association, Certification in Clinical Competence—Audiology) should include: pure tone and speech audiometry, impedance measures, and aided performance results (hearing aid/cochlear implants).
2. A letter from the person who will supervise your study program, stating that you have met all requirements for admission and have been accepted. *This is required before your application will be considered.*
3. A list of the courses you plan to take in your major field of study, with a letter from your advisor indicating that the proposed program is accredited and considered to be at the doctorate or terminal level.
4. *Official* transcripts of courses and grades from all accredited colleges and universities you have attended.
5. Letters of reference from three professionals who are qualified to evaluate your capacity to do graduate work.
6. A copy of your Free Application for Federal Student Aid (FAFSA) student aid report. (This can be obtained from [www.fafsa.edu](http://www.fafsa.edu).)
7. A copy of your income tax return for this year, which is the most recent copy that you have filed.

The postmarked deadline for your application and all supporting material above to be submitted is April 20. Applications received after this date will not be considered.
